**Subject: ADMINISTRATIVE CIVIL LIABILITY COMPLAINT NO. R9-2015-0110, SAN ALTOS-LEMON GROVE, LLC**

Mr. Rosenbaum and Ms. Drabandt:

The purpose of this letter is to rule on objections submitted by San Altos–Lemon Grove, LLC (San Altos) in correspondence dated November 20 and 25, 2015, and to distribute final hearing procedures for Administrative Civil Liability Complaint (ACLC) No. R9-2015-0110, issued by the San Diego Regional Water Quality Control Board’s (San Diego Water Board) Prosecution Team to San Altos on October 19, 2015. The prehearing rulings herein are by Executive Officer David Gibson, head of the Advisory Team, acting as the San Diego Water Board Chair’s designee for prehearing matters in the above ACLC.<sup>1</sup> San Altos’s objections are to the proposed hearing procedures, including proposed procedural schedule, distributed by the Prosecution Team on November 13, 2015. The rulings are as follows.

1. San Altos objects to the Prosecution Team’s proposed deadlines for submitting objections to the draft hearing procedures and for submitting and opposing requests for designation as a party. The Advisory Team extended these

<sup>1</sup> See Mem. from Michael Lauffer, State Water Resources Control Board, to California Regional Water Board Members (Sept. 30, 2014) at [http://www.waterboards.ca.gov/board\\_reference/2014fall/docs/roles\\_responsibilities\\_of\\_regional\\_water\\_board\\_members\\_and\\_ex\\_officers.pdf](http://www.waterboards.ca.gov/board_reference/2014fall/docs/roles_responsibilities_of_regional_water_board_members_and_ex_officers.pdf).

deadlines by email dated November 23, 2015. San Altos has submitted two sets of objections and written requests that the Cities of Lemon Grove and San Diego be designated as parties to the ACLC proceeding. It does not appear San Altos requests further extension of these deadlines and no further extension is necessary.

2. San Altos objects to the language in the draft hearing procedures regarding deemed waiver of procedures per section 648(d) of title 23 of the California Code of Regulations.<sup>2</sup> As provided in the proposed and final hearing procedures, section 648(b) is applicable in its entirety to this proceeding. Section 648(b) specifically provides that chapter 4.5 of the Government Code (with exceptions noted in section 648(c)), Evidence Code sections 801-805 and Government Code section 11513 are also applicable to this proceeding.
3. San Altos requests that its proposed schedule(s) be substituted for the Prosecution Team's November 13 proposed schedule. The Advisory Team has considered both proposed schedules and attaches the final hearing procedures for this proceeding. The final hearing procedures provide reasonable intervals between milestones leading up to the evidentiary hearing, and, for the reasons discussed below, do not add new milestones proposed by San Altos.
4. The final hearing procedures do not add milestones and associated deadlines regarding settlement discussions (e.g., meet and confer, settlement discussions and settlement briefs) as proposed by San Altos. The designated parties may engage in settlement discussions in parallel with the procedural schedule issued for the hearing. If at some point the parties jointly inform the Advisory Team that they have finalized a settlement agreement for San Diego Water Board consideration, they may submit a joint request to the Advisory Team to suspend the hearing schedule in favor of considering an order approving a settlement agreement.
5. The final hearing procedures do not add deadlines for issuance of subpoenas or for discovery cut-off. The attorney of record for designated parties may issue subpoenas for attendance at hearing or for deposition in accordance with Article 11 of Chapter 4.5 of the Government Code, commencing with section 11450.05. Attached is a form subpoena for designated party use. The designated parties are advised that absent a change in the final hearing schedule, deposition transcripts must be submitted in accordance with otherwise applicable written submittal deadlines.
6. San Altos requests that the draft hearing procedures be modified to allow for submittal of written testimony. The draft hearing procedures do not preclude submittal of written testimony. However, any written testimony must be

<sup>2</sup> All regulatory references herein are to title 23 of the California Code of Regulations unless otherwise noted.

submitted in accordance with deadlines for submitting written materials established in the hearing procedures. The designated parties are advised that any witness submitting written testimony must appear in person at the hearing to affirm the truth of the written testimony.

7. San Altos requests that the draft hearing procedures be modified and that the Advisory Team designate the Cities of Lemon Grove and San Diego as parties to the proceeding. The proposed hearing procedures appropriately allow only a person other than an already designated party to provide specified information supporting their request to participate as a party to the proceeding. The Advisory Team did not receive any requests for designation from non-designated parties and notes that the City of San Diego objects to being designated. (See November 23, 2015 e-mail from Ben Carrier on behalf of the City of San Diego.) The Cities of Lemon Grove and San Diego may participate as interested persons with rights as indicated in the hearing procedures and applicable regulations.<sup>3</sup>
8. San Altos objects to lack of specified review procedures for prehearing rulings. If San Altos is dissatisfied with prehearing rulings herein, San Altos may renew objections to the San Diego Water Board Chair upon his return to the United States mid-December and may renew objections to the full Board at the administrative hearing to consider the ACLC.
9. San Altos requests that each designated party be allowed four hours in which to present evidence, cross examine witnesses and make closing statements. The Advisory Team agrees that the parties should have more than 20 minutes each at the evidentiary hearing. At this time, the final hearing procedures allow for 90 minutes per party, inclusive of presentation of evidence, cross-examination and opening and closing statements. The hearing procedures specify that the Advisory Team may modify the procedures to allow more hearing time in advance of the hearing and the San Diego Water Board may, at its discretion, allow more time upon request at the hearing. Decisions to grant more time will ordinarily be based on demonstration of good cause for additional time.

Sincerely,

Catherine George Hagan

HEARING PROCEDURE FOR  
ADMINISTRATIVE CIVIL LIABILITY COMPLAINT  
NO. R9-2015-0110  
ISSUED TO

SAN ALTOS-LEMON GROVE, LLC  
VALENCIA HILLS CONSTRUCTION SITE

**SCHEDULED FOR FEBRUARY 10, 2016**

PLEASE READ THIS HEARING PROCEDURE CAREFULLY. FAILURE TO COMPLY WITH THE DEADLINES AND OTHER REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF YOUR DOCUMENTS AND/OR TESTIMONY.

**Background**

The Assistant Executive Officer of the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) has issued an Administrative Civil Liability (ACL) Complaint pursuant to California Water Code (Water Code) sections 13323 and 13385 against San Altos-Lemon Grove, LLC (Discharger) alleging it has violated California State Water Resources Control Board (State Water Board) Order No. 2009-0009-DWQ, as amended; Water Code section 13376; the Water Quality Control Plan for the San Diego Basin; and Clean Water Act section 301. The ACL Complaint proposes that administrative civil liability in the amount of **\$848,374** be imposed as authorized by Water Code section 13385. Unless the Discharger waives its right to a hearing and pays the proposed liability, a hearing will be held before the San Diego Water Board on **February 10, 2016**, in San Diego.

**Purpose of Hearing**

The purpose of the hearing is to receive relevant evidence and testimony regarding the proposed ACL Complaint. At the hearing, the San Diego Water Board will consider whether to adopt, modify, or reject the proposed assessment. The hearing will be held at the San Diego Water Board office at 2375 Northside Drive, Suite 100, in San Diego. An agenda for the hearing will be issued at least ten (10) days before the hearing and will be posted on the San Diego Water Board's web page at: [www.waterboards.ca.gov/sandiego](http://www.waterboards.ca.gov/sandiego).

**Hearing Procedure**

The hearing will be conducted in accordance with this hearing procedure. A copy of the procedures governing an adjudicatory hearing before the San Diego Water Board may be found at Title 23 of the California Code of Regulations, section 648 et seq., and is available at <http://www.waterboards.ca.gov> or upon request. In accordance with section 648(d), any procedure not provided by this Hearing Procedure is deemed waived. Except as provided in Title 23 of the California Code of Regulations (CCR), section 648(b), Chapter 5 of the Administrative Procedures Act (commencing with section 11500 of the Government Code) does not apply to adjudicatory hearings before the San Diego Water Board. This Notice provides additional requirements and deadlines related to the proceeding.

THE PROCEDURE AND DEADLINES HEREIN MAY BE AMENDED BY THE ADVISORY TEAM IN ITS DISCRETION. **ANY OBJECTIONS TO THE PROPOSED PROCEDURE MUST BE RECEIVED BY CATHERINE HAGAN, SENIOR STAFF COUNSEL, NO LATER THAN NOVEMBER 20,<sup>1</sup> 2015, OR THEY WILL BE WAIVED.** FAILURE TO COMPLY WITH THE DEADLINES AND REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF DOCUMENTS AND/OR TESTIMONY.

**Hearing Participation**

Participants in this proceeding are either “designated parties” or “interested persons.” Designated parties to the hearing may present evidence and cross-examine witnesses and are subject to cross-examination. Interested persons may present non-evidentiary policy statements, but may not cross-examine witnesses and are not subject to cross-examination. Interested persons generally may not present evidence (e.g., photographs, eye-witness testimony, monitoring data). Both designated parties and interested persons may be asked to respond to clarifying questions from the San Diego Water Board, staff, or others, at the discretion of the San Diego Water Board.

The following participants are hereby designated parties in this proceeding:

1. San Diego Water Board Prosecution Team; and
2. San Altos-Lemon Grove, LLC.

Any opposition to the request must be submitted by 5:00 p.m. on **November 23, 2015**. **Separation of Functions**

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the San Diego Water Board (Prosecution Team) have been separated from those who will provide advice to the San Diego Water Board (Advisory Team). Members of the

Advisory Team<sup>1</sup> include Catherine George Hagan and Adriana Nunez, Staff Counsel, Deborah Jayne, Senior Environmental Scientist and Beatrice Griffey, Engineering Geologist. Members of the Prosecution Team are: Laura Drabandt, Senior Staff Counsel; James Smith, Assistant Executive Officer; Jeremy Haas, Environmental Program Manager; Chiara Clemente, Senior Environmental Scientist; Laurie Walsh, Senior Water Resource Control Engineer; Wayne Chiu, Water Resource Control Engineer; and Frank Melbourn, Water Resource Control Engineer.

### **Ex Parte Communications**

The designated parties and interested persons are forbidden from engaging in *ex parte* communications regarding this matter with members of the Advisory Team or members of the San Diego Water Board. An *ex parte* contact is any written or verbal communication pertaining to the investigation, preparation, or prosecution of the ACL Complaint between a member of a designated party or interested party on the one hand, and a San Diego Water Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated and interested parties (if written) or made at a proceeding open to all other parties and interested persons (if verbal). Communications regarding non-controversial procedural matters are not *ex parte* contacts and are not restricted. Communications among the designated and interested parties themselves are not *ex parte* contacts.

### **Hearing Time Limits**

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each designated party shall have a combined ninety (90) minutes to present evidence, cross-examine witnesses (if warranted), and provide a closing statement; and each interested person shall have three (3) minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team no later than **January 20, 2016**. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the San Diego Water Board (at the hearing) upon a showing that additional time is necessary.

### **Submission of Evidence and Policy Statements**

The following information must be submitted in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the San Diego Water Board to consider. Evidence and exhibits already in the public files of the San Diego Water Board may be submitted by reference as long as the exhibits and their location are clearly identified in accordance with Title 23, California Code of Regulations, section 648.3.
2. All legal and technical arguments or analysis.

3. The name of each witness, if any, whom the designated party intends to call at the hearing, the subject of each witness' proposed testimony, and the estimated time required by each witness to present direct testimony.
4. The qualifications of each expert witness, if any.
5. (Discharger only) If the Discharger intends to argue an inability to pay the civil liability proposed in the Complaint (or an increased or decreased amount as may be imposed by the San Diego Water Board), the Discharger should submit supporting evidence as set forth in the "ACL Fact Sheet" under "Factors that must be considered by the Board."
6. (Discharger only) If the Discharger would like to propose a Supplemental Environmental Project (SEP) or Enhanced Compliance Action (ECA) in lieu of paying some or all of the civil liability in accordance with the State Water Board's Water Quality Enforcement Policy, the Discharger shall submit a detailed SEP or ECA proposal including a specific implementation timetable.

The Prosecution Team shall submit two (2) hard copies and one (1) electronic copy of the information to Catherine Hagan, Senior Staff Counsel, so that it is received no later than 5:00 p.m. on **November 30, 2015**.<sup>4</sup>

The remaining designated parties shall submit two (2) hard copies and one (1) electronic copy of the information to Catherine Hagan, Senior Staff Counsel, so that they are received no later than 5:00 p.m. on **January 4, 2016**.

In addition to the foregoing, each designated party shall send one (1) copy of the above information to each of the other designated parties by 5:00 p.m. on the deadline specified above.

Interested persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to Catherine Hagan, Senior Staff Counsel, as early as possible, but they must be received by **January 20, 2016**. Interested persons do not need to submit written comments in order to speak at the hearing.

In accordance with Title 23, California Code of Regulations, section 648.4, the San Diego Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the San Diego Water Board may exclude evidence and testimony that is not submitted in accordance with this hearing procedure. Excluded evidence and testimony will not be considered by the San Diego Water Board and will not be included in the administrative record for this proceeding. PowerPoint and other visual presentations may be used at the hearing, but their content may not exceed the scope of other submitted written material. A copy of such material intended to be presented at the hearing must be submitted to the Advisory Team at or before the hearing for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall

---

<sup>4</sup> By email dated November 23, 2015, this deadline was extended to December 4, 2015.

appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.

**Request for Pre-hearing Conference**

A designated party may request that a pre-hearing conference be held before the hearing in accordance with Water Code section 13228.15. A pre-hearing conference may address any of the matters described in subdivision (b) of Government Code section 11511.5. Requests must contain a description of the issues proposed to be discussed during that conference, and must be submitted to the Advisory Team, with a copy to all other designated parties, no later than 5:00 p.m. on **January 15, 2016**.

**Evidentiary Objections**

Any designated party objecting to written evidence or exhibits submitted by another designated party must submit a written objection so that it is received by 5:00 p.m. on **January 15, 2016**, to the Advisory Team with a copy to all other designated parties. The Advisory Team will notify the parties about further action to be taken on such objections and when that action will be taken.

**Evidentiary Documents and File**

The Complaint and related evidentiary documents are on file and may be inspected or copied at the San Diego Water Board office at 2375 Northside Drive, Suite 100, San Diego, California 92108. This file shall be considered part of the official administrative record for this hearing. Other submittals received for this proceeding will be added to this file and will become a part of the administrative record absent a contrary ruling by the San Diego Water Board. Many of these documents are also posted online at [www.waterboards.ca.gov/sandiego](http://www.waterboards.ca.gov/sandiego). Although the web page is updated regularly, to ensure access to the latest information, you may contact Catherine Hagan, Senior Staff Counsel.
