

California Regional Water Quality Control Board, San Diego Region

NOTICE OF SPECIAL MEETING POSTPONEMENT BOARD MEMBER FIELD TOUR OF BOATYARDS

A field tour of four boatyards on Shelter Island in San Diego Bay was scheduled for Board Members of the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board) and the public. The tour was scheduled for 9:00 a.m. on Friday, March 22, 2013. The field tour is being postponed due to unavailability of Board Members. A new date has not yet been chosen. Another notice will be sent upon selection of a date for the field tour.

This postponement notice is being provided to the San Diego Water Board's agenda mailing list and the known interested persons list for Tentative Order No. R9-2013-0026, *General Waste Discharge Requirements for Discharges from Boatyards and Boat Maintenance and Repair Facilities to Surface Waters within the San Diego Region*.

Please contact Ms. Kristin Schwall at kschwall@waterboards.ca.gov or (858) 467-2345 for questions or comments regarding this notice.
