Subject: Hydromod Meeting
Date: Monday, August 13, 2012 8:32:55 AM

Greetings Regional MS4 Permit Stakeholders,

At the request of several stakeholders participating in the Focused Meetings for the Administrative Draft Regional MS4 Permit, the San Diego Water Board agreed to attend a meeting, in addition to but separate from the Focused Meetings, that will provide information about issues related to hydromodification management.

The meeting was organized and arranged by the Copermittees. Members of the San Diego Water Board Regional Permit Team will attend the meeting as an interested party.

The following information about the meeting was provided to the Regional Permit Team to be distributed via the Lyris lists maintained by the San Diego Water Board for the Orange County MS4 Permit, Riverside County MS4 Permit, and the San Diego County MS4 Permit. To attend the meeting, please see the information provided below:

HYDROMODIFICATION MANAGEMENT MEETING

The meeting described below is being convened to specifically address stakeholder comments and concerns raised regarding the issue of hydromodification management.

Meeting Goal and Objectives

The goal of the meeting will be to provide the storm water program managers, non-governmental environmental organizations, the development/business community and the San Diego Water Board with a greater understanding of the practice of hydromodification management. The primary objective of the meeting is to consider the following questions:

- Where should hydromodification requirements be applied?
- What are key decision factors in applicability?

Meeting Structure

The meeting will comprise of a series of brief presentations followed by an expert panel discussion of the aforementioned questions in the context of the San Diego River watershed.

The presenters and panel will include:

- Chris Bowles, PhD, PE, CBEC
- Derek Booth, PhD, PG, PE Stillwater Sciences
- Eric Stein, PhD, Southern California Coastal Water Research Project
- Eric Berntsen, PH, CPESC, CPSWQ, State Water Resources Control Board

The meeting and panel discussion will be facilitated by Matt Yeager, D.Env, CPSWQ, QSD/QSP, Yeager Environmental Associates.

Meeting Schedule and Location

The meeting will be held on August 30, 2012, and will begin at 10:00 am and end at 3:30 pm.

The meeting will be held at:

San Diego Concourse
Copper Room
202 C Street
San Diego, CA 92101
(please see attachment for map and directions)

Parking is available at the Concourse Parkade Structure
\$2/20 mins OR \$18/day max
Cash or Check only
