Re: CISWQS 715558:morris

Dear Mr. Robertus:

On behalf of the Santa Margarita Water District and its Member Agencies the South Orange County Wastewater Authority requests that the San Diego Regional Water Quality Control Board removes Tentative Addendum No. 4 to Waste Discharge and Water Recycling Requirements for the South Orange County Reclamation Authority Order 97-52 from the consent calendar of the November 12th 2008 meeting.

The Santa Margarita Water District requests additional time to evaluate all of the requirements contained in the Tentative Addendum establishing discharge requirements from the Horno Urban Water Recovery Facility. If you have any questions, I can be contacted at (949) 234-5421.

Very truly yours,

SOUTH ORANGE COUNTY RECLAMATION AUTHORITY
