Dear California Regional Water Quality Control Board, San Diego Region:

This letter is to inform you that this operation is out of business and not operating as of June 16, 2017. The facility is closed and all closure, moving and clean-up activities are complete. The individual permit for this site is Order No. 95-17. Please feel free to call Anthony Rivera at 619-337-2290 or [arivera@rcpblock.com](mailto:arivera@rcpblock.com) to schedule a site visit to confirm the status of the operation,

Sincerely,

2/23/18
