

San Diego Water Board Meeting
Action Items
May 10, 2023
(Underlined names are responsible for the action)

Item 6: Future Agenda Items

1. During Item No. 6, Board Member Warren asked the San Diego Farm Bureau to provide information to the Board regarding agricultural water quality best practices that are working in other regions. Related to this request, Board Member Olson asked staff to provide additional information to the Board regarding topics brought up during the agricultural workshop that we regulate and discuss how these topics can be addressed through our processes.

Course of Action: Ben Neill will coordinate with the San Diego Farm Bureau to provide available information regarding successful best practices for agricultural operations in other regions. Additionally, Ben Neill will provide either an update at a future workshop or an Executive Officer's report summarizing the topics brought forward by the public that fall within our regulatory purview.

Hours needed to complete request: 60

Completion Date: Summer 2023
