

San Diego Water Board Meeting
Action Items
February 8, 2023
(Underlined names are responsible for the action)

Item 2: Chair's, Board Members', State Board Liaison's, and Executive Officer's Reports

1. During State Board Liaison Morgan's update, Chair Cantú asked for an update regarding Colorado River water availability and plans to allocate the water.

Course of Action: Sean McClain will prepare an Executive Officers report with information regarding the availability and planned allocation of the Colorado River water and will coordinate a future Board update as needed.

Hours needed to complete request: 40

Completion Date: April 2023

2. During State Board Liaison Morgan's update, Board Member Warren requested an update on how the State Water Resources Control Board provides drought messaging to the public. Board Member Warren noted drought messaging should be as important and widespread as COVID messaging.

Course of Action: State Board Liaison Morgan will provide the information to the Board at a future meeting.

Hours needed to complete request: Unknown

Completion Date: 2023

Item 4: Enforcement Update from State Water Board Office of Enforcement

3. During Item No. 4, Vice Chair Olson asked for an update regarding the use of drones and other surveillance methods and the restrictions associated with using these methods for inspections.

Course of Action: Chiara Clemente will prepare an Executive Officers report with information regarding the use of and restrictions associated with remote surveillance techniques and will coordinate a future Board update with the Office of Enforcement as needed.

Hours needed to complete request: 40

Completion Date: April 2023

Item 5: Public workshop to receive information on Tentative Time Schedule Order No. R9-2023-0006 An Order Requiring Designated Responsible Permittees to Comply with Bacteria

4. During Item No. 5, Board Member Warren asked the County of Orange for information regarding its H₂O_C Stormwater Program and the outreach and tracking efforts they are currently using for the program.

Course of Action: Laurie Walsh will coordinate an informational item regarding the H₂OC Stormwater Program.

Hours needed to complete request: 20

Completion Date: April 2023 Board Meeting

Item 7: Future Agenda Items

5. During Item No. 7, Chair Cantú asked for an update to the Board regarding the requirements of Assembly Bill 2108 which adds sections 189.7 and 13149.2 to the California Water Code.

Course of Action: Eric Becker will coordinate an informational item regarding the purpose and requirements of AB2108.

Hours needed to complete request: 40

Completion Date: May 2023
