Dear Mr. Lydy:

**SUBJECT: NOTICE OF NONCOMPLIANCE: ENROLLMENT IN THE INDUSTRIAL STORM WATER GENERAL PERMIT, ORDER NO. 97- 03 DWQ; PERMIT NO. CAS000001**

Regional Board staff and City of Chula Vista staff inspected your facility on February 7, 2008. Based on the results of this inspection report, your facility will require coverage under the State Water Resources Control Board's (State Board) General Industrial Storm Water Permit (Permit).

Regional Board staff has determined that your Standard Industrial Code (SIC) for the operation at your facility is 3271 and/or 3272, concrete block and brick and/or concrete products, except for block and brick, respectively. Both SIC's are a mandatory classification for coverage under the Permit. Therefore, you must file a Notice of Intent (NOI) (enclosed) to obtain coverage under the Permit. To enroll for coverage under the Permit, follow the instructions in the enclosed package, and mail us a copy of the NOI that is to be sent to the State Board.

Failure to submit the NOI to the State Board within 30 days of receipt of this letter will subject you to possible enforcement action under Sections 13399.30 and 13399.33 of the California Water Code. The penalty for failure to file the NOI is not less than five thousand dollars per year (\$5,000) of noncompliance or fraction thereof.

A copy of the Permit can be downloaded at the following website:
