SAN FRANCISCO BAY REGION

ORDER NO. 01-009

NPDES NO. CA0037494

RESCISSION OF WASTE DISCHARGE REQUIREMENTS FOR:

City of Pacifica  
San Mateo County

The California Regional Water Quality Control Board, San Francisco Bay Region (hereinafter the Board) finds that:

1. The City of Pacifica owned and operated the Pacifica Wastewater Treatment Plant (WWTP), located at 2212 Beach Boulevard, Pacifica, San Mateo County. The discharge was regulated by Waste Discharge Requirements in Order No. 94-112.
2. In 1996, the City started construction on the new Calera Creek Water Recycling Plant (CCWRP), located at 700 Coast Highway, Pacifica, San Mateo County, to replace the Pacifica Wastewater Treatment Plant. The CCWRP was constructed, in part, to address the deficiencies of the WWTP facilities.
3. Since September 2000, the new Calera Creek Water Recycling Plant (CCWRP) has begun operations and discharging into Calera Creek. The discharge is regulated by waste discharge requirements in Order No. 99-066.
4. The WWTP is no longer operational and therefore no longer discharging. Order No. 94-112, which regulates the discharge from the older plant, is obsolete.
5. Order No. 94-112 expired on September 21, 1999. However it remains in effect until it's reissued or rescinded.
6. The rescission of waste discharge requirements in Order No. 94-112 for discharge from the WWTP is exempt from the provisions of Chapter 3 (commencing with Section 21000 of Division 13) of the Public Resources Code (CEQA) pursuant to Section 13389 of the California Water Code.
7. The Board has notified the discharger and interested agencies and persons of its intent to rescind waste discharge requirements in Order No. 94-112, and has provided them with an opportunity for a public hearing and an opportunity to submit their written views and recommendations.
8. The Board, in a public meeting, heard and considered all comments pertaining to the rescission of waste discharge requirements for the above discharge.

IT IS HEREBY ORDERED that Order No. 94-112 is rescinded.

I, Loretta K. Barsamian, Executive Officer, do hereby certify the foregoing is a full, true and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region on January 24, 2001.
