

STATE OF CALIFORNIA
CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

STAFF SUMMARY REPORT (Marisela Torres)
MEETING DATE: July 20, 2005

ITEM: 7A

SUBJECT: Angel Island State Park, Marin County; Port of Oakland, Galbraith Site, Alameda County; U.S. Navy, Point Molate Site, Contra Costa County; Fairchild Semiconductor Corporation, Santa Clara County - Rescission of NPDES Permits

DISCUSSION: The attached Tentative Order rescinds the NPDES permits for the above dischargers, because the permits are no longer needed.

Three of the four facilities listed no longer have discharges to surface waters. A general permit now covers the fourth, the Point Molate Site.

No public comments were received regarding the rescission of the above permits.

RECOMMENDATION: Adoption of the Tentative Order

File Nos. 2159.5002; 2199.9305; 2119.1057; 2189.8075

Appendix: Tentative Order
