
San Francisco Bay Regional Water Quality Control Board

**NOTICE OF PUBLIC HEARING
FOR TOMALES BAY MERCURY TOTAL MAXIMUM DAILY LOAD**

The San Francisco Bay Regional Water Quality Control Board's (Water Board's) staff has prepared a Tentative Resolution and Staff Report to address the impairment of Tomales Bay by mercury. These have been prepared consistent with relevant sections of the Federal Clean Water Act and the California Water Code. The Tentative Resolution is scheduled to be considered by the Water Board at its regular meeting at the time and location as follows:

Time and Date: 9:00 a.m., May 9, 2012
Location: First Floor Auditorium, Elihu Harris State Building
1515 Clay Street, Oakland

Persons wishing to file written comments on or objections to the Tentative Resolution or other aspects of this matter must do so no later than **5:00 p.m. on April 10, 2012**, so that such comments may be considered. Comments must be sent to the attention of Carrie Austin at the email address below, via U.S. mail to the letterhead address, or via fax to (510) 622-2460. Interested persons are invited to attend and express their views at the public hearing on this matter.

The tentative resolution, staff report, comments received, and related documents may be inspected and copied at the Water Board's office. These documents are also available on the Water Board's website at: http://www.waterboards.ca.gov/sanfranciscobay/water_issues/programs/TMDLs/. Responses to comments will be posted on that website one week prior to the hearing. Contact Carrie Austin at (510) 622-1015 or by e-mail to CAustin@waterboards.ca.gov, with any questions on this matter.
