

TRASH HOT SPOT SELECTION FORM

City of Hayward

Site ID: hay_dep_3

Site Information

Waterbody: Alameda County Flood Control Channel

Site Location: This location is located at the dead end of Depot Rd. near San Francisco Bay. The site starts at the culvert near the dead end of Depot Rd. and ends 150 yards downstream. The location listed is ACFC Zone 4 Line E.

Jurisdiction: City of Hayward

Ownership: Alameda County Flood Control

Agency Contact: Todd Rullman - Street Maintenance Supervisor (510) 881-7746
todd.rullman@hayward-ca.gov

Justification

Staff selected this location due to its close proximity to San Francisco Bay. Historically, this area is a frequent location for illegal dumping of furniture and appliances as well as hazardous materials such as motor oil and paint. The majority of the businesses near this location are auto wrecking yards where hazardous wastes are common. Staff followed the site selection process outlined in the ACCWP Trash Load Reduction Work Group Hot Spot Selection Guidance document.
