

TRASH HOT SPOT SELECTION FORM

City of Hayward

Site ID: hay_roc_6

Site Information

Waterbody: stormwater conveyance channel

Site Location: This site is a City of Hayward maintained channel that runs 150 yards from Tennyson Rd. in a north/south direction along the rear of the homes on the west side of Rochelle Av. parallel to Huntwood Ave. This location is upstream of ACFC Zone 3A Line 1.

Jurisdiction: City of Hayward

Ownership: City of Hayward

Agency Contact: Todd Rullman - Street Maintenance Supervisor (510) 881-7746
todd.rullman@hayward-ca.gov

Justification

Staff selected this location as it's historically been a frequent location for illegal dumping. Hazardous materials such as oil and paint are frequently dumped in this area. Trash and debris, ranging from furniture and appliances, to loose, transportable and buoyant litter accumulate frequently at this location. The relative close proximity (50 yards) to multiple "fast food" restaurants and two schools also greatly increase the amount of litter in this waterbody. Staff followed the site selection process outlined in the ACCWP Trash Load Reduction Work Group Hot Spot Selection Guidance document.
