RE: City of Suisun City
Trash Hotspot Selection and Cleanup

Dear Mr. Wolfe:

The attached Trash Hotspot selection represents the City of Suisun City responses to the items requested per Provision C.10.b.ii and iii of NPDES Permit No. CA S612008 (Permit) as adopted on October 14, 2009 via Order No. R2-2009-0074. Per attachment J of the Permit the City of Suisun City is required to clean up one Trash Hotspot.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Sincerely,

Daniel Kasperson
Building and Public Works Director
