SUBJECT: **Comprehensive Demonstration Study for AES Huntington Beach,
NPDES No. CA 0001163**

Enclosed please find a disk containing the Comprehensive Demonstration Study (CDS) Report prepared by EPRI. The CDS was prepared pursuant to Special Provisions VI.C.2 (a) and VI.C.7 in Order No. R8-2006-0011. The complete CDS is a six-volume report with a summary document copied in one pdf file on the enclosed CD.

AES Huntington Beach submits the CDS for RWQCB approval, and consistent with the results of the CDS also requests that re-opening of the NPDES permit be continued until such time as the Final 316(b) Policy is issued by the SWRCB.

If you have specific question on the enclosed report, please do not hesitate to give me a call at 714-374-1408.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul R. Hurt", with a long horizontal flourish extending to the right.

Paul R. Hurt, D.Env.
Environmental Manager
