

# Technical Symposium: Marina Fueling System Design, Construction, and Operation Agenda

## June 26, 2002

Time	Speaker Name	Company/Agency	Presentation Abstract
9:00 - 9:15	Shahla Farahnak	SWRCB	Opening statement
9:15 - 9:45	Karen Clementsen	RWQCB - Redding	Overview of the SWRCB's <u>Advisory Panel on Fueling and Refueling Practices at California Marinas</u> (January 1999)
9:45 - 10:30	Laura Chaddock	SWRCB	Status of SWRCB Marina Fueling Facility Project: Project Goals and Activities
10:30-10:45	<b>Break</b>		
10:45 - 12:00	Maggie Carroll	Underwriters Laboratories	Draft Standards: UL 2248 Marina Fuel Storage, Piping and Dispensing System and UL 2405 Aboveground Secondly Contained Piping for Flammable Liquids
12:00-1:30	<b>Lunch Break on Your Own</b>		
1:30 - 2:00	Maggie Carroll	Underwriters Laboratories	Draft Standards: UL 2248 Marina Fuel Storage, Piping and Dispensing System and UL 2405 Aboveground Secondly Contained Piping for Flammable Liquids
2:00 - 2:20	Bob Machmer	Total Containment	Total Containment Marinaflex Piping: A Complete System Approach to Jointless Secondly Contained Piping
2:20 - 2:35	Ken Hatch	CRI Recycling	Absorbent recycling service.
2:35-2:50	<b>Break</b>		
2:50 - 3:10	Jeremy Moses	Advanced Polymer Technology	APT: Metallic Ducted (MD) Piping, Flexible Entry Boots for MD Series, Pipe Fittings, Containment Sumps, Installation Guidelines
3:10 - 3:30	Peter Sokoloff	Sunbelt Industries	FCI marina fueling system
3:30 - 3:45	Sharon Halvorson	Fluid Systems	Bilge water pump out
3:45 - 4:30	<b>Group Discussion/Q&amp;A</b>
