

## Webinar Announcement: American Iron and Steel Requirement for the SRF

Focus on State and assistance recipients

**RESCHEDULED:** We invite you to join us for a refresher webinar to discuss updated information regarding how to implement the AIS requirements, product certifications, the waiver request process and national waivers. We are offering two webinar dates and the same material will be presented on each date.

*Presenters:*

- **Tim Connor**, CWSRF Engineer
- **Kiri Anderer**, DWSRF Engineer

**For more information about the new requirements, please visit our website:**

**Technical Tips:**

Once you register for the webinar using the link provided, you will receive an automated email from "Gotomeeting5." Please retain this email, as it includes a link for joining the webinar, information on webinar audio, an email contact for questions related to the webinar, and a link for more information on using Gotowebinar. If you do not receive this confirmation email shortly after registering for the webinar, please check your spam/junk e-mail folder.

We recommend joining the webinar several minutes early to allow time to download or upgrade the Gotowebinar software. Please note that audio will be available on-line only, and that there is no telephone call-in number associated with this webinar. Please ensure that you are using a computer with working speakers or headphones prior to joining the webinar.
