- Notes:**
1. The projects list was approved by the State Water Board Executive Director (Tom Howard) on May 1, 2013. The amount of funding for the approved projects exceeds the amount available in the 2013 CWA 319 Grant (\$3,896,405). Additional funding may be allocated to completely support the projects in this list from "unspent" funding from the currently "open" CWA 319 Grants as appropriate. The projects were listed in order of preference and will be funded in that order.
 2. "Imp" means implementation projects and "Plan" means planning-assessment projects.
