

## Operator Certification Program - Applications

---

### STATE WATER CONTROL BOARD OFFICE OF OPERATOR CERTIFICATION (OOC)

**Please Note:** The applications can be completed by using the Typewriter tool to type text anywhere on a PDF page. The Typewriter tool supports filling-out an application on your home computer and printing it. IT DOES NOT support saving your filled-out form for later retrieval and/or revision. Choose the Typewriter Toolbar, and then click the Typewriter button. Click where you want to type and begin typing.

#### APPLICATIONS:

- [Examination](#)
- [Certification](#)
- [Operator-in-Training](#)
- [Reciprocity](#)

Please make sure you are using the correct application. Using an incorrect application may delay the processing of your application. If you have problems using these applications, or would like an application faxed or mailed to you, please call our general message line at (916) 341-5819 and leave your fax number, name and mailing address.
