

REQUEST TO REVIEW THE EXAMINATION - ALL GRADES -

The exam review is provided for the primary purpose of allowing you to see what you need to study for your next exam. The review is not meant as a way to gain additional points on your exam score.

The following instructions are for those individuals that failed the Wastewater Treatment Plant Operator Certification Exam given on **OCTOBER 1, 2011**. **To review exam you must do the following:**

1. Contact the Office of Operator Certification at (916) 341-5819 by **Thursday, January 12, 2012**, to request a time to review your exam. There will be **no appointments** made after **Thursday, January 12, 2012**. Reviews will take place between the hours of 9:00am and 3:00pm.
2. Photo identification is required in order to review your exam.
3. You are allowed up to one hour to review your exam. You may not bring your own pens or pencils, as they will be provided by the proctor(s). However, you may bring a non-programmable calculator.
4. Notes may be taken only on the paper provided by the proctor(s). You cannot write on your exam or Scantron. No outside notebooks, notepads, or paper are allowed. Any notes made during the review must be surrendered to the proctor.
5. **No cell phones will be allowed for any reason.**
6. Alternate arrangements **will not** be provided for reviewing your examination.
7. Individuals not registered to review will not be permitted in the reviewing area.
8. Please contact the Office of Operator Certification if you have additional questions.
