

Is YOUR construction site

Stormwater Ready?

Wet Season began October 1st!

Come join us for coffee and a free open forum discussion on wet-season requirements for construction sites.

We will discuss:

- *Wet Season...* What did we do right last year?... What can we do better?... Areas of concern for local and state inspectors at construction sites
- Brief overview of the newly adopted 2009 State Construction General Permit

Local agency staff will also be on hand to answer your questions.

Please choose one of the following workshops to attend:
