Re: Public Records Act Request

Dear Mr. Kor:

This is a request under the Public Records Act, Government Code section 6250, et seq., for one copy of the following documents. Please produce these documents for our inspection within ten days, or alternatively, make arrangement with us for their copying and transmittal to our office. Of course, we will reimburse your actual, reasonable costs of reproduction.

All documents prepared or received by the California Regional Water Quality Control Board since 1972 respecting its compliance with section 303(d) of the Clean Water Act (33 U.S.C. § 1313(d)), concerning identification of waterbodies with insufficient water quality controls and submission of proposed TMDL limits.

Please contact me or Perry de Valpine of my staff to make arrangements for our inspection and copying of the above records. We look forward to hearing from you.

Thank you for your courtesy and cooperation in this matter.

Very truly yours,

*Stephan C. Volker*
