The Lahontan Regional Water Quality Control Board has released the draft *2012 Clean Water Act Sections 305(b) and 303(d) Integrated Report for the Lahontan Region*. This Integrated Report provides staff's recommendations for changes to the federal Clean Water Act (CWA) Section 303(d) list of impaired surface water bodies, and, pursuant to CWA section 305(b), analyzes the extent to which all navigable waters in the region are meeting the minimum fishable/swimmable beneficial uses. The water quality assessment applies to surface waters of the United States within the Lahontan Region.
