NOTICE IS HEREBY GIVEN THAT the State Water Resources Control Board (State Water Board) no longer intends to close the above-described UST case pursuant to Health and Safety Code Section 25296.10 and the State Water Board's Low-Threat Underground Storage Tank Case Closure Policy (Policy). The proposed closure will not occur at this time.

SUBJECT OF THE CANCELLED PROPOSED CLOSURE

The State Water Board on June 23, 2023 provided a Notice of Opportunity for Public Comment and Opportunity for Tribal Consultation on the proposed UST case closure for San Francisco Bay Regional Water Quality Control Board case number 01-2043 (Site).

GeoTracker Case Record: <http://geotracker.waterboards.ca.gov/?gid=T0600101888>

The State Water Board received public comments providing new information regarding the Site, which requires further investigation. The State Water Board has determined that the Site may not meet the criteria for case closure pursuant to the Policy at this time. A new Notice of Opportunity for Public Comment will be issued when case closure is proposed in the future.
