

Register Now for the Stormwater Retrofitting Webcast!

The Center for Watershed Protection (CWP) will have a two-hour live webcast on Wednesday, October 14, 2009!

This webcast will focus on the restoration of urban and suburban watersheds through stormwater retrofitting. In particular, the webcast will discuss the design and implementation of stormwater retrofit practices featured in CWP's Urban Stormwater Retrofit Practices manual, which discusses retrofitting existing urban lands, such as parking lots, residential streets, conveyance systems and landscaped areas. The webcast will also provide information about the cost and pollutant removal performance of stormwater retrofits.

Time:

-  Pacific: 9:00 am - 11:00 am
-  Mountain: 10:00 am - 12:00 pm
-  Central: 11:00 am - 1:00 pm
-  Eastern: 12:00 pm - 2:00 pm
