**EDUCATION**

Master of Science in Environmental Engineering, 1983  
University of California at Davis

Bachelor of Science in Civil Engineering, 1982  
Lafayette College in Easton, Pennsylvania

**REGISTRATION**

Civil Engineer, State of California, No. 40634

**AFFILIATIONS**

Water Environment Federation  
California Water Environment Association

**PROFESSIONAL EXPERIENCE**

**Current Position:** Director of Policy and Planning for the Sacramento Regional County Sanitation District and the Sacramento Area Sewer District. Major areas of responsibility include long range planning, regulatory and legislative affairs, and wastewater source control.

**Last Position:** Chief of the Treatment Division for the Sacramento Regional County Sanitation District and Manager of the Sacramento Regional Wastewater Treatment Plant (SRWTP). Major areas of responsibility included operations and maintenance, engineering, laboratory, and administration.

**Prior Positions:** Prior positions at the SRWTP have included Engineering Section Manager and Biosolids Program Manager. Experience before that includes 10 years as a consulting engineer working on a wide variety of projects in planning and design of both wastewater and potable water facilities.
