Sir,

Enclosed please find a completed hearing scheduling form.

I would consider withdrawing a hearing request if after you consider my situation and Agree to waive and fines associated with my account , statement S010136.

As a result of the 2015 august Rough Fire in Fresno county, my business and records were destroyed. Being preoccupied with mitigating this disaster, I overlooked the filing. In addition, as a result of the fire, my diversion works were partially destroyed and continued to be affected By the aftermath of the fire. I have updated my filing account to be current.

A severe fine such as the Board has proposed is a hardship upon my family and financial recovery in light of the disaster we have experienced.

Thank you for your consideration.

Sincerely

Lewis Evans
