

BOARD MEMBERS:.....

IT IS A TOTAL INJUSTICE THAT A COMMUNITY THAT HAS DONE THE BEST IN THE STATE OF REDUCING THE USE OF WATER SHOULD BE TOLD AGAIN TO DO THE IMPOSSIBLE.

WE ARE IN A RECESSION AND OUR BUSINESSES ARE HAVING A HORRIBLE TIME. WE ARE A TOURIST TOWN OF HOTELS, MOTELS,

ARE YOU WILLING TO JEOPARDIZE THE HEALTH, SANITATION AND WELFARE OF THE PEOPLE OF THIS AREA. ARE YOU WANTING TO MAKE THIS A GHOST TOWN. THE CITY WAS THE FIRST CAPITAL OF CALIFORNIA UNDER THE U. S. IS THAT HOW YOU TREAT IT.

ARE WE LESS IMPORTANT THEN A fish . we have done more then our share to help with

water conservation than anyone in the state of california.

MOVE THE FISH....

and leave us in peace.

If special interest care that much then let them relocate the fish in thier town.
