Subject: State Water Board Enforcement Action

Greetings,

I am the attorney representing the Prosecution in your hearing. I have been trying to get in touch with you. I am trying to verify –

- Your current contact information
- Whether you still own the property at 21451 Highway 128, Yorkville, CA 95494
- Whether we can schedule an inspection to determine whether anything on the property has changed
- Whether there is still a restraining order

Please contact me as soon as possible. A staff person from the Division of Water Rights, Kyle Wooldridge, may also be in touch.

Thank you.
