Gray Davis
Governor

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website at www.swrcb.ca.gov.

APR 01 2003

To: Parties - Hearing on San Joaquin River
Group Authority Change Petitions

Dear Sirs and Madam:

REVISED LIST OF STAFF EXHIBITS

Attached is a revised list of State Water Resources Control Board (SWRCB) staff exhibits for the above hearing. This list deletes items 7, 8, 9, and 10 from the list of exhibits that SWRCB staff transmitted to the parties by e-mail on March 11, 2003. Items 3, 4, and 5 are narrowed in scope. Aside from these changes and the renumbering of the remaining items, the list is unchanged.

If you have any questions about this letter, I can be reached at (916) 341-5190.

Sincerely,

Barbara J. Leidigh
Staff Counsel IV

STAFF EXHIBITS TO BE OFFERED INTO EVIDENCE

The following will be offered, by reference, as staff exhibits at the Hearing on the San Joaquin River Group Authority Change Petitions scheduled for April 23, and 24, 2003.

1. All water right files related to Licenses 2685, 6047 and 11395 (Applications 1224, 10572 and 16186) of Merced Irrigation District, and Licenses 5417 and 11058 (Applications 1233 and 14127) of Modesto Irrigation District and Turlock Irrigation District.
2. Topographic maps published by the United States Geological Survey covering the area of consideration.
3. United States Geological Survey, "Water Resource Data, California" for the period of published record, covering the Central Valley and its tributaries..
4. U.S. Department of Commerce, National Oceanic and Atmospheric Administration, "Climatological Data of California" for the period of published record, covering the Central Valley and its tributaries.
5. DWR Bulletin No. 230, "Index to Sources of Hydrological Data" and all pertinent data available from the Water Data Information System and all predecessor publications (Bulletins No. 130 and 23), covering the Central Valley and its tributaries.
6. Water Quality Control Plan for the California Regional Water Quality Control Board Central Valley Region: The Sacramento River Basin and the San Joaquin River Basin (5A/B), Fourth Edition-1998 and any amendments thereto approved by the State Water Resources Control Board.
7. California Central Valley Unimpaired Flow Data, Third Edition, Department of Water Resources, August 1994.
8. Delta Atlas, Department of Water Resources, 1993.
