Subject: Re: WSID Draft CDO Hearing

Dear Sir or Ma'am,

Westlands did not respond for the very reason identified in Mr. Knapp's email: namely, that the request was to identify and submit any conflicts with the week of Jan 11th.

There being none, Westlands did not respond.

That being said, Westlands has no conflict with participating the week of January 11th.

V/r,

Phil Williams

Hearing Officer Spivy-Weber requested the parties identify and submit any conflicts that would prevent their participation in the hearing during the week of January 11 through January 15, 2016.

Counsel for the City and County of San Francisco is available for hearing during the week of January 11 through January 15, 2016.

I apologize for the delay in responding -- I initially interpreted Hearing Officer Spivy-Weber's request to only require a response if a party did, in fact, have a conflict that would prevent their participation in the hearing during the identified week.

Jonathan Knapp
