SWRCB,

We urge the SWRCB to revisit and revise the proposed policy 'intended to enhance the instream flows' of the Gualala River.

We urge the SWRCB in conjunction with the RWQCB to hold regional hearings on this matter.

We request the SWRCB postpone the closure of the public comment period from March 26, 2010, until a future date. In this regard we request a 90 day extension of the comment period.

In addition we request the SWRCB postpone the Public hearing on April 27, 2010, to a future time, subsequent to conclusion of regional hearings.

We thank you in advance for considering the above,

John Linderman
