Subject: Fwd: Re: Klamath Dam removal - comments due 2/26
Date: Tuesday, February 5, 2019 5:43:53 PM

I support removal of all Klamath dams. Analysis shows that dam removal will greatly reduce unhealthy conditions in the Klamath River, and will improve water quality. It will also bring the salmon home to hundreds of miles of habitat and the Klamath Tribes in the upper Klamath basin. This is an environmental and social justice issue of utmost concern.
