Re: PacifiCorp Notice of Preparation

Dear Ms. Rice,

This letter supplement's Secretary Chrisman's letter of June 9, 2008 addressed to Tam Doduc, wherein he requested, for the reasons stated in the letter, that the State Water Resources Control Board "SWRCB" temporarily extend the date the SWRCB would issue its Notice of Preparation (the "NOP") with respect to the proposed removal of the PacificCorp dams on the Klamath River.

Given the status of the negotiations, we believe it is appropriate for the temporary extension to terminate on July 11, 2008, and for the SWRCB to issue the NOP anytime thereafter.

Very truly yours,

Kirk E. Miller
Deputy Secretary and General Counsel
